Dear Friend of Humble Design Cleveland:

With excitement and gratitude, we invite you to partner with us for our 3rd annual fundraising event:

WELCOME HOME

September 26th, 2024 6:00 pm – 9:00 pm

Humble Design is a nonprofit organization that designs and furnishes homes for Cleveland families and veterans emerging from homelessness. Using donated furniture and household goods, our designers transform empty houses into custom-designed homes based on our clients' needs and preferences. This simple but profound act helps our clients to break their cycle of homelessness.

Humble Design Cleveland helps our clients change their lives for good.

Nationwide, nearly 50% of people who leave homelessness return within a year.

97% of Humble Cleveland clients stay housed.

We would be grateful for your support of our mission and our event. Here's how you can help:

1. Please consider an event sponsorship donation. Your underwriting gift will help ensure that all proceeds raised at the event are directed to Humble's core mission of serving people emerging from homelessness. We would be honored to acknowledge your investment and promote your organization in our event material.
2. Please consider donating an item for our auction. Your contribution will inspire our guests to give generously.

Thank you for considering an investment in our event. You can help make a difference in the lives of our neighbors leaving homelessness and help them to begin the next hopeful chapter of their lives.

With gratitude,

Debbie Eastburn
